PROFESSIONAL SUMMARY

Motivated Full-Stack Developer with hands-on experience building responsive and interactive web applications using HTML5, CSS3, JavaScript, and Node.js. Proficient in JavaScript with a strong understanding of core concepts including DOM manipulation, event handling, promises, and asynchronous programming, along with REST API integration. Passionate about clean code, intuitive UI design, and delivering engaging user experiences. Actively seeking an entry-level MERN Stack Developer role to contribute to a product-driven team while continuously enhancing technical and problem-solving skills.

TECHNICAL SKILLS

- **Languages & Markup:** HTML5, CSS3, JavaScript (ES6+), Node.js, C++
- **Data Structures & Algorithms:** Problem-Solving Strategy, Time Complexity Analysis
- **Databases:** MySQL, MongoDB
- **Tools & Platforms:** Git, GitHub, GitHub Pages, VS Code, Chrome DevTools
- **Other:** REST API Integration, Fetch API, Cross-Browser Compatibility

EDUCATION

Master of Computer Applications (MCA) Aug 2025 – May 2027

Geeta University, Panipat

Bachelor of Computer Applications (BCA) Aug 2021 – May 2025

Government Women College, Karnal

PROJECTS

Zomato Clone | Live: https://sr2219947-ctrl.github.io/java-script/zomato/Project_zom

- Designed and developed a Zomato Clone featuring an interactive filtering system (rating, cost, distance).
- Utilized JavaScript for dynamic data rendering and real-time UI updates.
- Enhanced user experience through responsive design and an intuitive interface.

Technologies: HTML5, CSS3, JavaScript, Fetch API, REST API, JSON

Portfolio Website | Live: <https://sr2219947-ctrl.github.io/start/portfolio>

- Designed and developed a personal portfolio website to showcase projects and technical skills.
- Implemented responsive design with modern UI, scroll animations (AOS library), and interactive components.
- Integrated project links, GitHub profile, and contact form for professional presentation.

Technologies: HTML5, CSS3, JavaScript, AOS, GitHub Pages

CERTIFICATIONS & KEY STRENGTHS

- Earned 25+ professional certifications from leading organizations including Cisco Systems, Hartron, Security Blue Team, Red Hat, Simplilearn, and Udemy in Web Development and Cybersecurity.
- Built and deployed 3+ live web applications using GitHub Pages, demonstrating practical front-end development skills.
- Strong communication and interpersonal skills, enabling effective collaboration, problem-solving, and clear technical explanations.
